

TIP Chapter Holds 2008 Annual Breakfast

[Event Slideshow](#)

On January 25th TIP of Orange County held its first Annual TIP Breakfast. The purpose of the breakfast was to thank the Chapter's constituency and to review TIP's accomplishments for 2007 and its goals for 2008.

The breakfast was a huge success. Over 150 people attended including elected officials, police and fire chiefs, TIP volunteers, TIP clients and members of the general public. The breakfast was sponsored by Saddleback Memorial Medical Center.

Speakers included the City of Orange Police Chief and two TIP clients. According to Wayne Fortin, TIP Founder and CEO, the breakfast exceeded the Orange County staff's expectations. *"We didn't know what to expect from our first breakfast,"* said Fortin. *"We were delighted with the response of attendees. I believe that most people who walked through the door that morning were TIP supporters. When they left they were **HUGE** TIP supporters,"* Fortin said.
